**Present:** Roger Hegeman, Jim Moczydlowski, Ron Schildt, Tony Goedheer, Paul Rozek and Randy Alf.

**Excused:** Lynn Dahlvik, Fred Witty and Earl Strandt.

**Absent:**

**Communications:** 01 06 02 Richard Bolte, Director of Public Works, Waukesha Co.

**Approval of Minutes:** **Motion** by Paul Rozek and seconded by Jim Moczydlowski to accept the August 9, 2006 minutes as read. Motion carried.

**Old Business:**

01 06 02 Beloit Rd and Calhoun Rd. Due to the reconstruction, this intersection has become much larger. There is concern that with the widening of the intersection the stop signs are so far off to the right that they are being lost, making for an unsafe situation. (Similar to the situation we have at Beloit and Sunny Slope.) The commission received a letter from DPW Director Rich Bolte indicating there were no safety concerns at the intersection at this time. Mr. Bolte did advise they would consider moving the "Blinker Stop Signs " from Beloit and Sunny Slope Rd. once construction started for the traffic control signals. Motion by Randy Alf and seconded by Paul Rozek to drop from the agenda. Motion carried. Drop from the agenda.

02 06 02 Bicyclist on sidewalks – Ron Schildt presented the possible ordinance to allow bicycles on sidewalks where there are no bike paths. Hold on the agenda as the commission will study further.

**Tabled Items:**

01 06 06 Request for safety measures, such as speed tables, to slow traffic on Barton Rd. No action taken.

**New Business:**

01 06 07 Marin Way and Langlade. Concerns for speeding and excess traffic. Request for stop signs. Ron Schildt presented data concluding stop signs are not warranted. Randy Alf advised the Police Department will monitor and enforce for speeding on Langlade. Motion by Paul Rozek and seconded by Jim Moczydlowski to drop from the agenda. Motion carried. Drop from the agenda.

**Motion** by Tony Goedheer and seconded by Paul Rozek to adjourn the meeting at 6:50pm. Motion carried. Meeting adjourned.

Respectfully Submitted by,

Lt. Randy Alf
