Declaration of Snow Emergency

The Director of Public Works declares a Snow Emergency for the City of New Berlin.

The Snow Emergency Declaration will begin at 7:30 AM on March 25, 2023, and extend through 8:00 PM, on March 25, 2023. The declaration of a snow emergency is to reduce traffic congestion, and to ensure the orderly operation of emergency vehicles, including snow removal equipment and machinery.

All aspects of Ordinance 261-11, “Snow Emergencies” shall be in effect. Street parking is prohibited during the snow emergency. No person shall park any vehicle on a street, alley or public parking lot during the period of a snow emergency. Any vehicle that may interfere with snow removal operations or any emergency vehicles may be removed at the owner’s expense.

Due to the excessive and fast rate of snowfall, the City’s plowing services may be delayed. Expect travel conditions to be hazardous as you may encounter unplowed or semi-plowed roads in certain areas of the City during and after the storm.
