

City of New Berlin Utility – Rate Information

Rate Increase Information: On March 8, 2022, Milwaukee Water Works, New Berlin’s sole water supplier, filed an application for a rate increase of about 6.76% under Wis. Stat. § 196.193. The Public Service Commission staff approved the increase of 3.0% and the new rates became effective on April 1, 2023.

In order to off-set Milwaukee’s rate increase and increases in supplies and other expenses, the City of New Berlin filed a Conventional Rate Case with the Public Service Commission of Wisconsin (PSCW). The rate increase approved, is about 30%. Sewer rates are decreasing by 2.5% to help offset the increase in the water rates. The new rate schedules are shown below.

General Service - Metered Quarterly Charge - Water (effective 4/1/24)						Availability Charges (effective 4/1/24)	
5/8	inch meter	\$	21.00	3	inch meter	\$	153.00
