Mayor Dave Ament Announces Closure of City Hall Offices Due to Snow Emergency

FOR IMMEDIATE RELEASE

NEW BERLIN, WI — Due to the ongoing snow emergency and severe winter weather conditions, **Mayor Dave Ament has announced that City Hall offices for the City of New Berlin will be closed today, March 16, 2026.**

The decision was made to prioritize the safety of residents and City employees as hazardous travel conditions continue throughout the community.

Essential City services, including police, fire, and public works operations, will continue as scheduled.

Residents are encouraged to avoid unnecessary travel while crews work to clear roadways. Motorists may encounter unplowed or partially plowed roads in certain areas of the City during and after the storm.

City Hall operations will resume on Tuesday, March 17, 2026.

City officials will continue to monitor weather conditions and provide updates as necessary.
