Drug **A**buse **R**esistance **E**ducation

The **D.A.R.E.** program in New Berlin is currently taught to 5th grade students in every school by certified Police Officers. **D.A.R.E.** is a valuable outreach program which is highly successful in building strong relationships between students, parents, school staff, and our department.

The **D.A.R.E.** curriculum provides students with skills and education they can use throughout their life including; the harmful effects of alcohol, tobacco and other drugs, decision making, healthy choices and alternatives, identifying and assertively responding to peer pressure, building positive self-esteem, identifying and combating advertising and marketing techniques geared toward children, and effective ways to deal with stress and anger.

Each **D.A.R.E.** Instructor has attended and passed a two-week training course in order to obtain their certification from **D.A.R.E.** America.

The **D.A.R.E.** program also assists in promoting positive alternatives for youth in our community with events for students such as Midnight Basketball & Midnight Volleyball.
